MICHAEL ABBASPOUR

SOFTWARE ENGINEER | GITHUB: GITHUB.COM/MICHAEL-ABBASPOUR

OBJECTIVE

To provide as much value as possible to an organization, all the while being a part of said company and team that helps me grow as a software engineer and person.

SKILLS

- JavaScript/TypeScript (main)
- PHP (secondary)
- HTML/CSS
- MySQL/Postgres
- Docker
- Stripe (Stripe Payments and Stripe Billing)
- WordPress

EXPERIENCE

ACCOUNTANT • TRIAD MAINTENANCE: TOTAL LAWN CARE • JULY 2013 - PRESENT
Primary responsibilities include managing balance sheets and profit/loss statements, preparing budget forecasts throughout every season, handling all accounting-related transactions, taking care of all bank payments, etc. While accounting is my main function, I also aid in both employee and customer relations.

EDUCATION

BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION • EAST CAROLINA UNIVERSITY
August 2009 - May 2013

TRAITS

- Team-oriented and focused above all else.
- Love learning and trying new technologies.
- Willing to work overtime and different hours based on what the organization requires.
